25X1A9a

- (7) [REDACTED] is near the end of his work on the North Korean NIS (10.1053), for which he is acting as coordinator for Sec 64.

2. Training

- 25X1A9a a. [REDACTED] is completing her statistics course, "Handling Quantitative Data."
25X1A9a b. [REDACTED] completed her Russian course, Phase I of "Economic Readings in Russian".

3. Trips

None.

4. Administration

Nothing to report.

5. Plans

In general, the branch plans to devote a larger part of its time to studying the intelligence implications of the over-all position of the consumer in Bloc nations and a smaller part to quantitative estimates of economy activity in light industry and domestic trade. Poland will probably be the first nation studied in this manner.

6. Problems

Nothing to report.
